

## Essa® Bowl Spacer Rings

Adapters designed to hold Essa® Pulverising Mill Bowls securely in place. As bowls are available in a range of different sizes we have different sized spacer rings available.

They are designed to raise the smaller bowls as they sit on the platform of the Essa® LM2 and LM201 Pulverising Mills. This ensures that the airbag clamp can hold them securely in place.

## Spacer Ring and Bowl Compatibility

Item Code	0047-0001	0047-0003	0047-0005	0047-0007
Spacer Height	77 mm	56 mm	46 mm	34 mm
